Inaugural sailing of the A-ROSA SENA pushed back **E-Motion Ship starts cruising on 18 June 2022**

Rostock, 02 June 2022 – Due to delays related to COVID-19 during the final commissioning phase, the inaugural sailing of the A-ROSA SENA will take place on 18 June 2022. From then on, the ship will visit the most beautiful cities along the northern Rhine.

Like so many businesses, the shipyard contracted by A-ROSA has been affected by the present situation regarding COVID-19 and supply chain challenges. Due to the increase in COVID-19 cases amongst shipyard employees, suppliers and service providers and the shortness of certain supplies, which has only been intensified by the war in Ukraine, the completion of the vessel has been unexpectedly delayed.

All affected guests are being contacted and will be offered attractive re-booking options.
